

Three-Act Structure Template

Use this worksheet to plan out your novel or screenplay based on the three-act structure. This includes the beginning, middle and ending.

Use the space provided to bullet point or note down your ideas for each act.

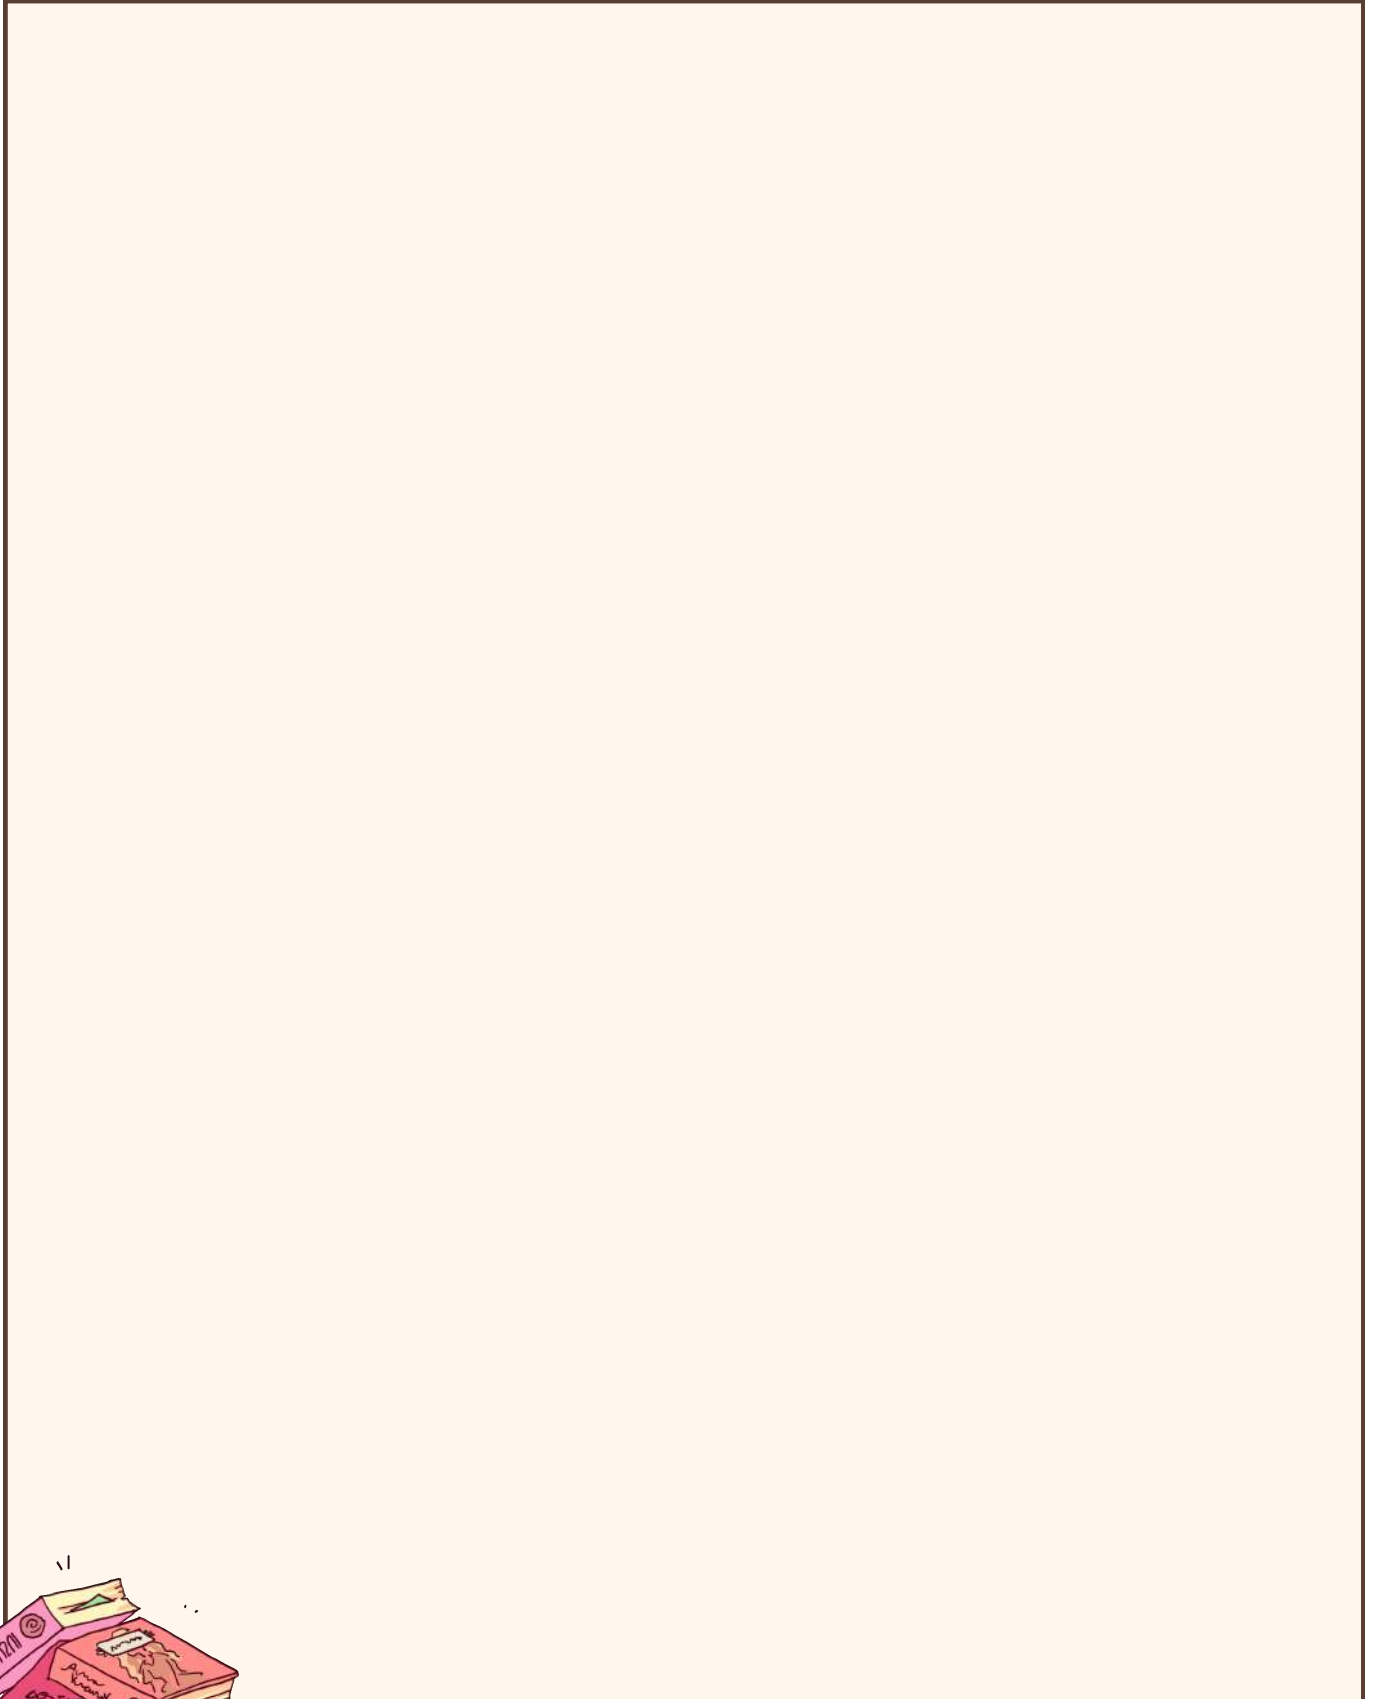

Act I: The Beginning

How will you introduce your main characters, the setting and start the major conflict?

Act II: The Middle

How will your main character deal with the major conflict and try to solve their problem/s?

Act III: The Ending

How will it end? Will it be a happy, victorious ending or a sad ending of defeat?
