

Snow Globe

Writing Pack

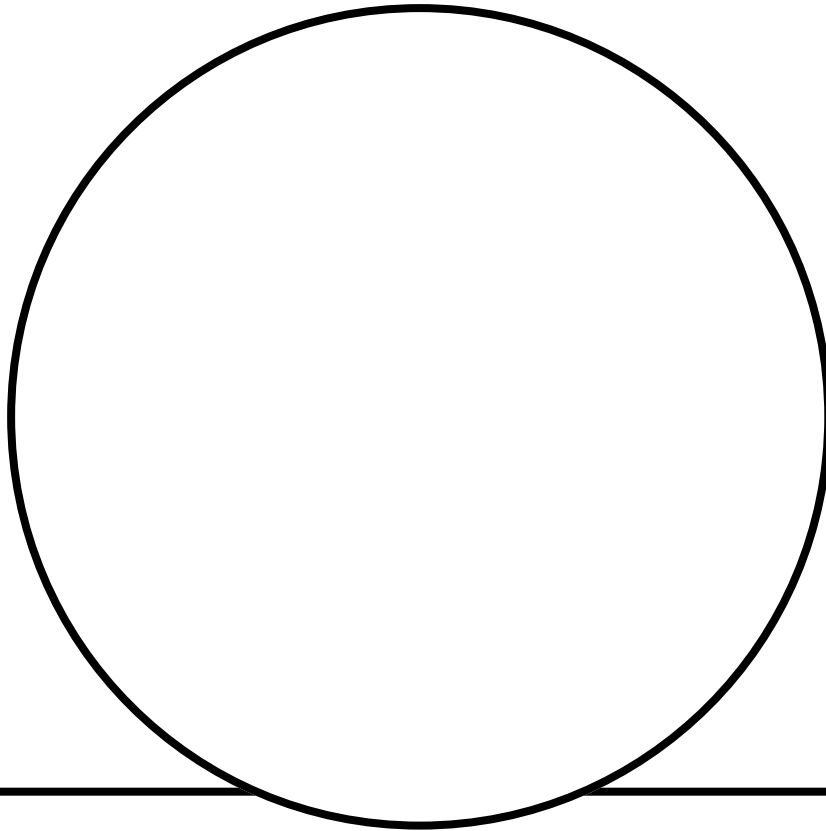

Name: _____

Name: _____

Trapped in a Snow Globe

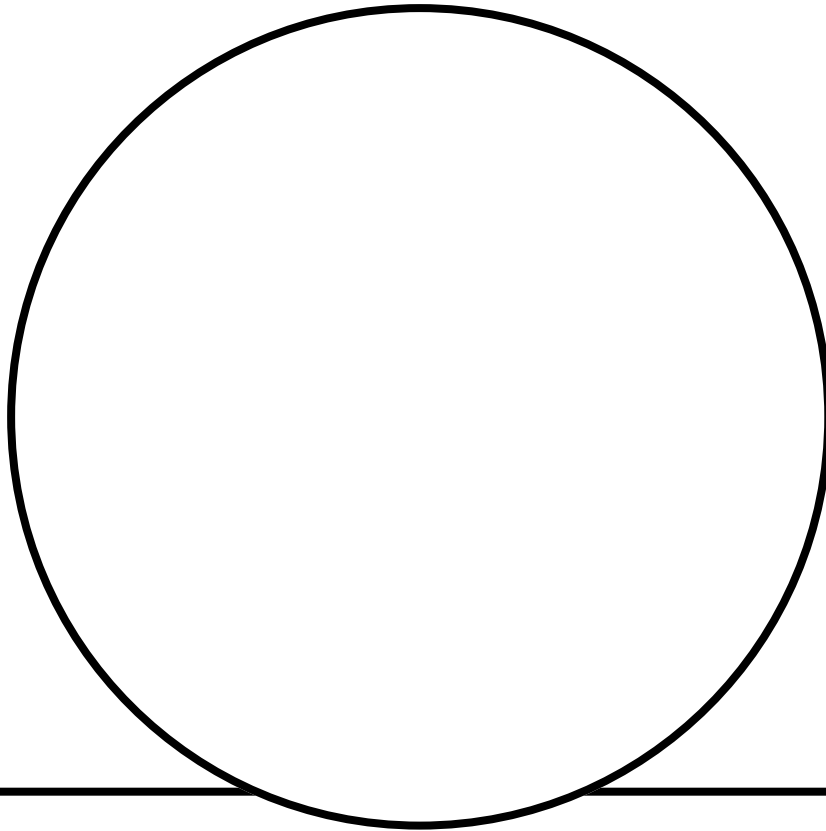

Imagine you've been magically trapped inside a snow globe. What does the world around you look like, who else is there, and how will you find a way to escape—or will you choose to stay?

A trapezoidal shape is positioned below the circle, representing the base of the snow globe. Inside this trapezoid, there are seven horizontal lines spaced evenly, providing a designated area for the student to write their response to the prompt.

Name: _____

A Perfect Winter Day

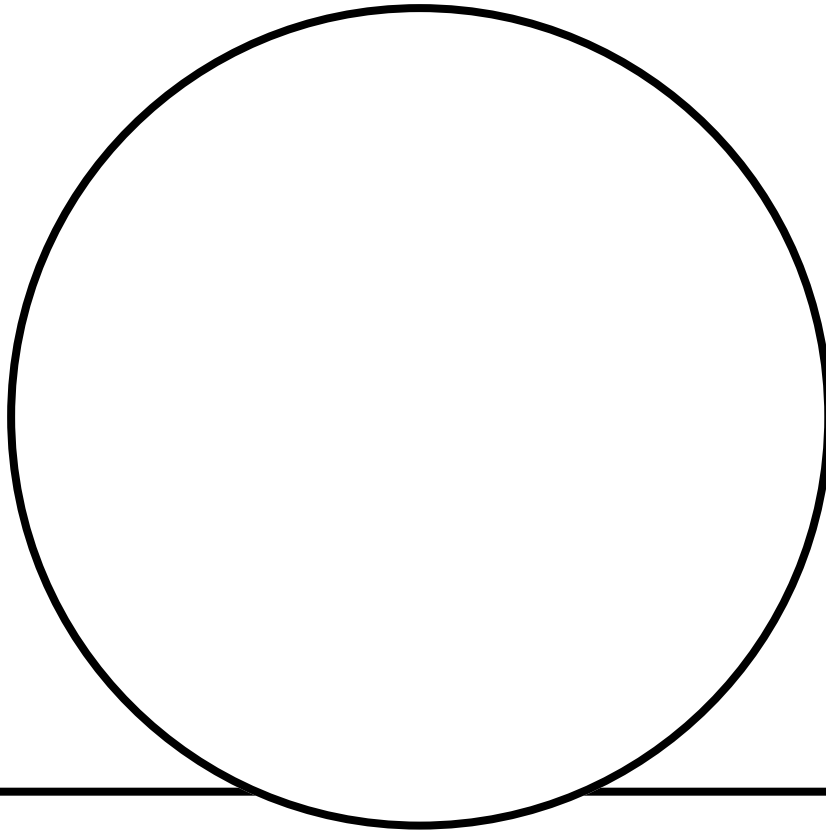

Imagine the most beautiful winter day taking place inside this snow globe. What is happening, and how does it make you feel?

A large trapezoidal shape is positioned in the lower half of the page, representing the base of a snow globe. It has a wide bottom edge and a narrower top edge. Inside the trapezoid, there are seven horizontal lines spaced evenly, providing a writing area for the student's response.

Name: _____

The Snow Globe's Story

Tell the story of how this snow globe was created. Was it made by magic, or does it hold a special memory?

A trapezoidal shape is positioned below the circle, representing the base of a snow globe. It has a wide bottom edge and a narrower top edge. Inside this trapezoid, there are seven horizontal lines spaced evenly, providing a writing area for the story.

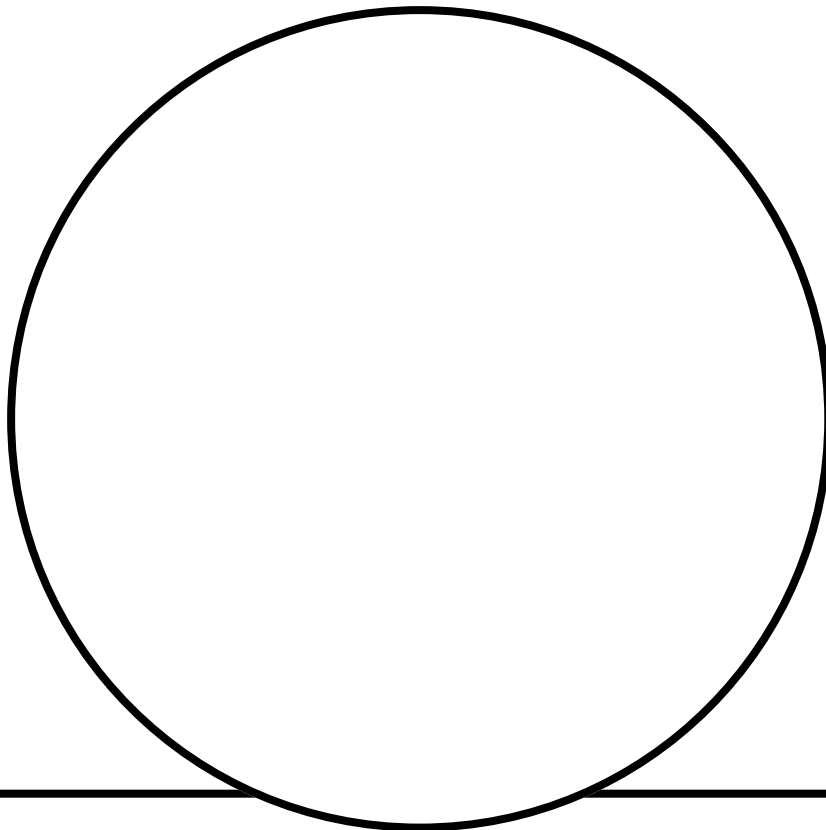

Name: _____

Lined writing area with 20 horizontal lines.

Name: _____

Winter Wishes

Write about a character inside the globe who makes a wish every time the snow falls. What do they wish for, and does it come true?

A large trapezoidal shape with a black outline, positioned below the circle. It contains seven horizontal lines for writing, intended for the student to describe their character and their wishes.

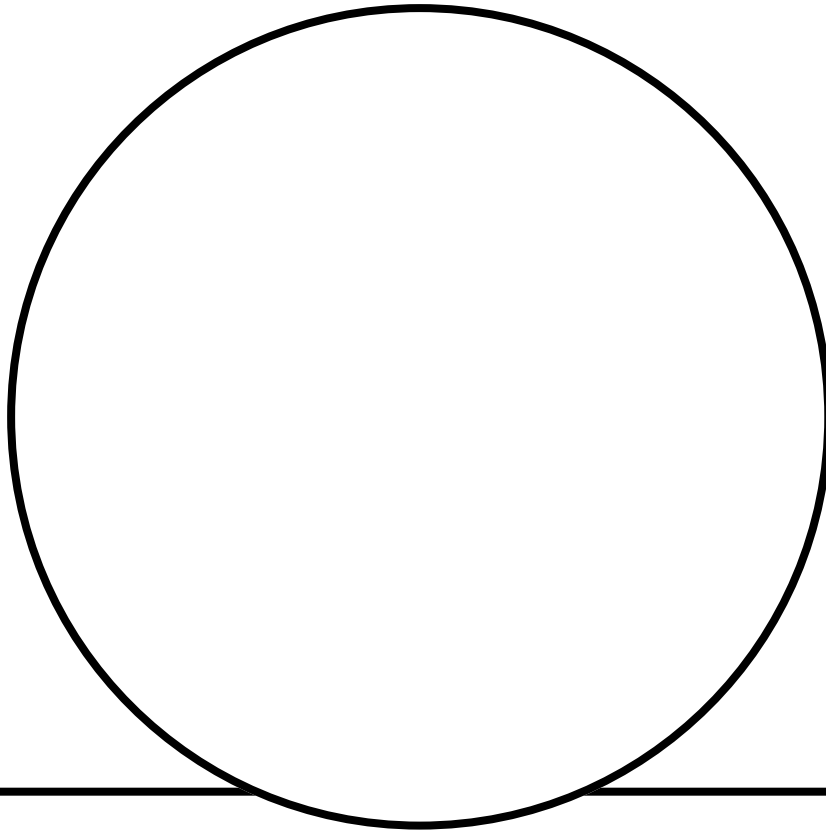

Name: _____

Lined writing area with 20 horizontal lines.

Name: _____

A Mysterious Stranger

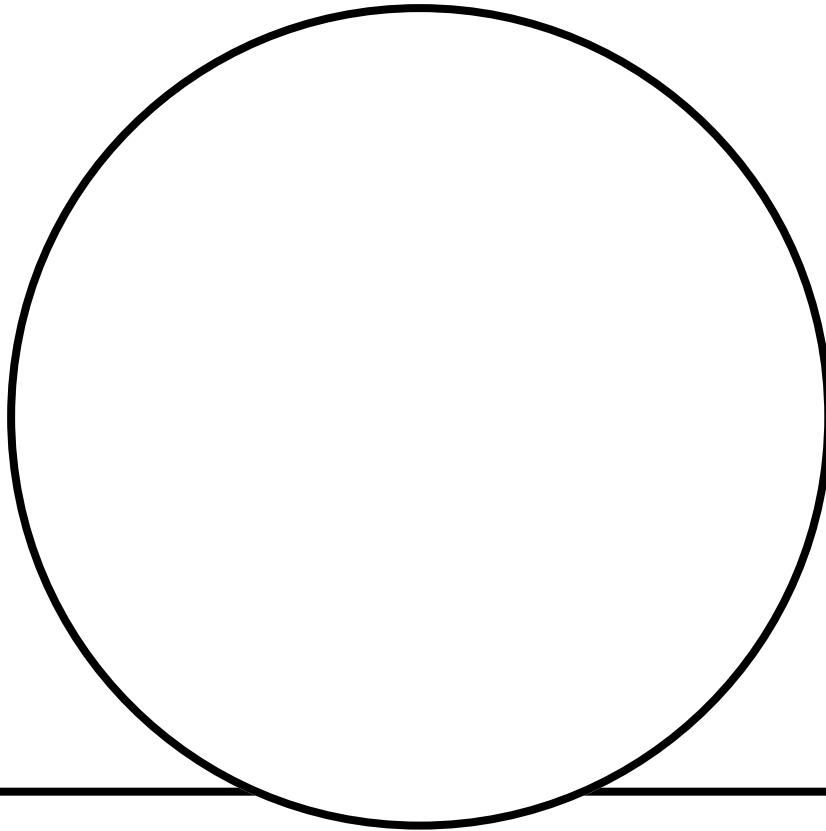

A new figure appears in the snow globe one day. Who are they, and why have they come?

A large trapezoidal shape is positioned below the circle, representing the base of the snow globe. Inside this shape, there are seven horizontal lines spaced evenly, providing a designated area for writing a story or answer to the prompt.

Name: _____

Frozen Forever

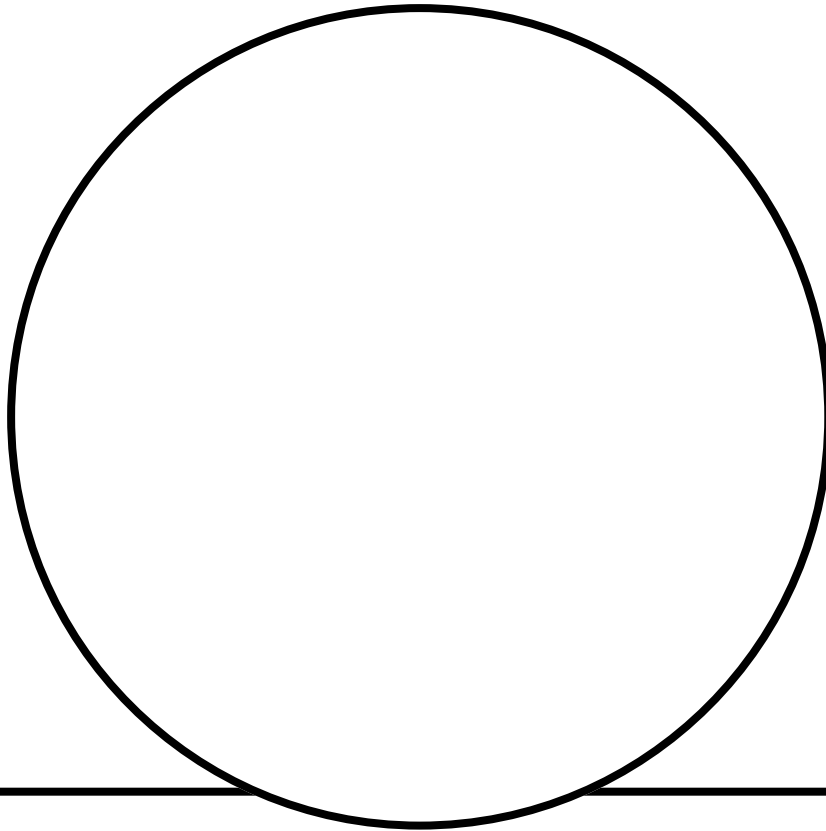

The snow globe holds a moment frozen in time. What moment is it, and why is it important?

A large trapezoidal shape is positioned below the circle, representing the base of the snow globe. It contains seven horizontal lines for writing, spaced evenly from top to bottom. The lines are parallel to the top and bottom edges of the trapezoid.

Name: _____

The Snowstorm

A big snowstorm is happening inside the globe. Who is preparing for it, and how do they feel about the snow?

A large trapezoidal shape is positioned below the circle, representing a snowdrift or a writing area. It has a wide top edge and a narrower bottom edge. Inside this shape, there are seven horizontal lines spaced evenly, providing a space for writing.

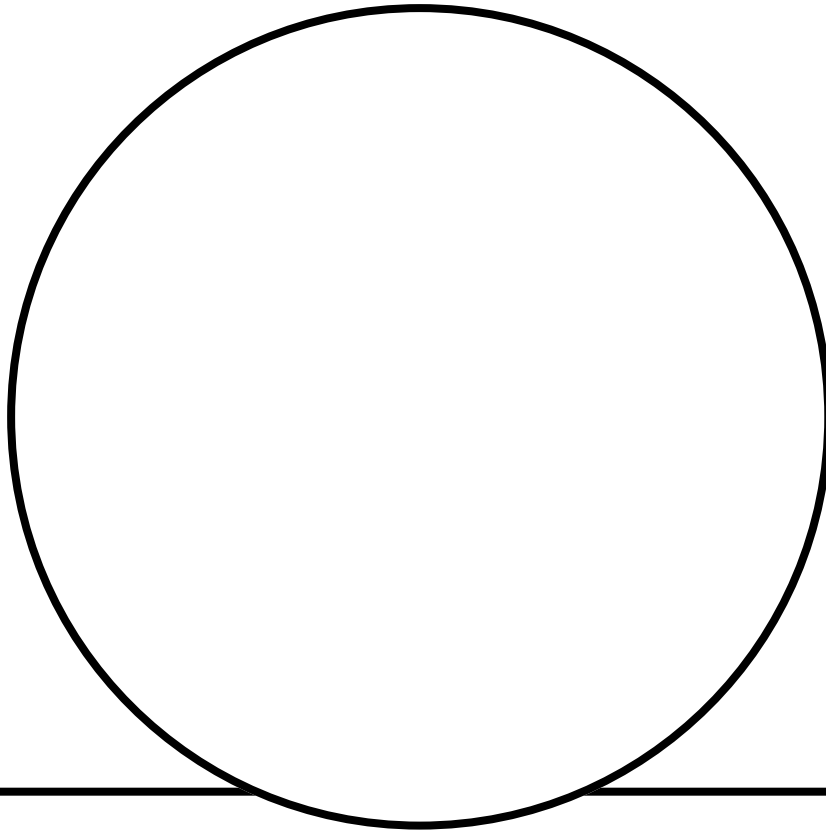

Name: _____

Lined writing area with 20 horizontal lines.

Name: _____

The Globe's Guardian

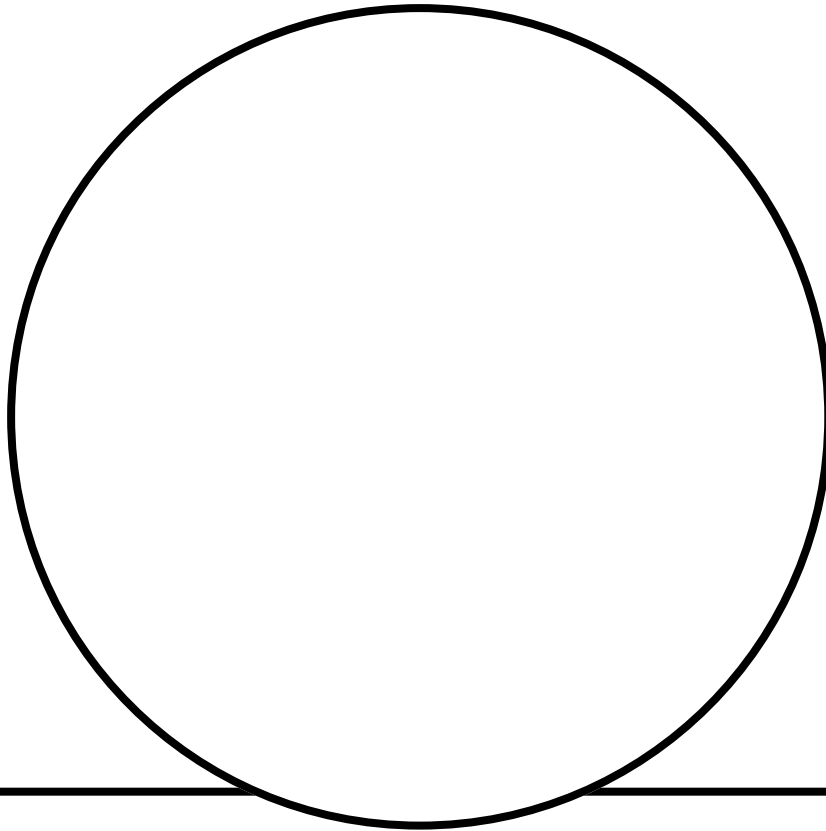

Imagine a tiny guardian who watches over the snow globe's world. What do they do to protect it, and what challenges do they face?

A large trapezoidal shape is positioned below the circle, representing the base of the snow globe. It contains seven horizontal lines for writing, spaced evenly from top to bottom. The lines are parallel to the top and bottom edges of the trapezoid.

Name: _____

Holiday Cheer

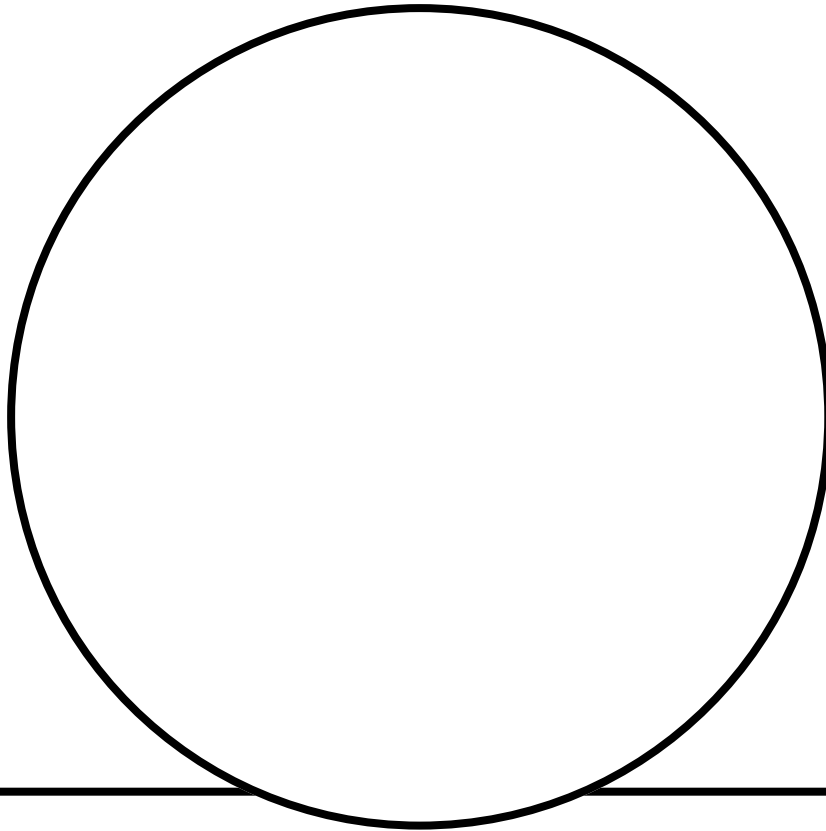

Write about the festive holiday scene taking place in the snow globe.
What traditions are the characters inside celebrating?

A large trapezoidal shape is positioned in the lower half of the page, representing the base of the snow globe. It contains seven horizontal lines for writing, spaced evenly from top to bottom. The lines are parallel to the top and bottom edges of the trapezoid.

Name: _____

The Town Inside

Create a small town inside the snow globe. What are the houses like, who lives there, and what makes it unique?

A large trapezoidal shape is positioned below the circle, representing the base of the snow globe. It has a wide bottom edge and a narrower top edge. Inside this trapezoid, there are seven horizontal lines spaced evenly, providing a writing area for the student's response.

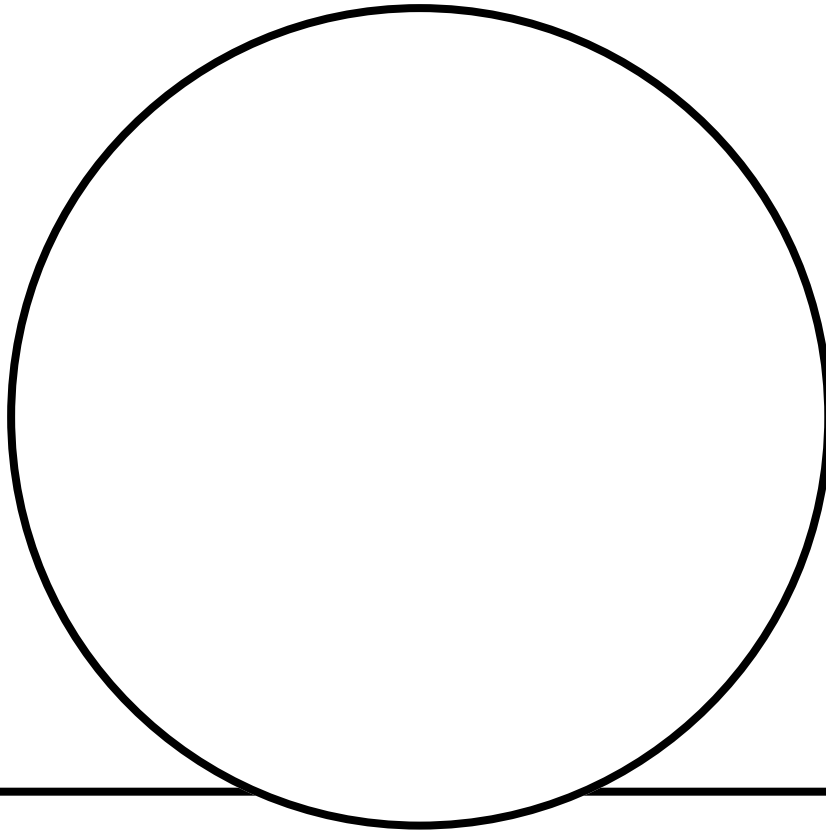

Name: _____

Lined writing area with 20 horizontal lines.

Name: _____

A Hidden Message

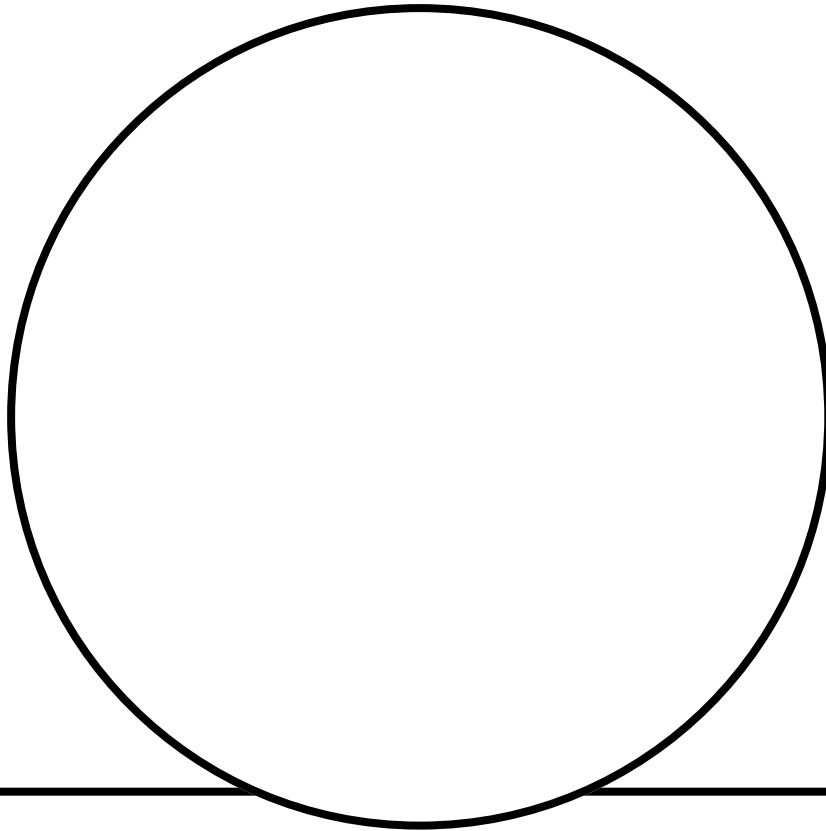

Someone finds a message buried in the snow inside the globe. What does it say, and how does it change their life?

A large trapezoidal shape with a thick black outline, positioned below the circle. It contains seven horizontal lines for writing, starting from the top edge of the trapezoid and extending to the bottom edge.

Name: _____

The Missing Snowman

A snowman in the globe has mysteriously disappeared. Write about how the characters search for him and where he might have gone.

A large trapezoidal shape is positioned below the circle, representing a snowman's body. It contains seven horizontal lines for writing.
